

# NOTICE OF SUBMISSION – TERMS OF REFERENCE

Agnico Eagle Mines Limited has initiated a study under the *Environmental Assessment Act* to address the declining domestic, non-hazardous waste capacity of the Detour Lake Mine landfill site. The study will help identify a long-term (25 year) strategy to meet the needs of the Detour Lake Mine, with respect to the management of domestic non-hazardous solid waste generated within the Detour Lake Mine property. The mine is in northern Ontario, the District of Cochrane, about 185 kilometres (km) northeast of the Town of Cochrane via Highway 652.

As part of the planning process for the proposed undertaking, a Terms of Reference was submitted to the Ministry of the Environment, Conservation and Parks for review as required under the *Environmental Assessment Act*. Submitting the Terms of Reference is the first step of the Environmental Assessment process. If approved by the Minister of the Environment, Conservation and Parks, the Terms of Reference will provide the framework and requirements for the preparation of the Environmental Assessment for the proposed undertaking. The preparation of the Environmental Assessment represents the second step in the process under the *Environmental Assessment Act*.

The Terms of Reference will be available for a 30-day public comment period from March 8 through April 8,

2024 on the project website (<https://www.agnicoeagle.com/English/operations/operations/detour-lake-expansion/>) and at the following locations during normal business hours:
